To Whom It May Concern:

The following student _____, OSID# _____,

has our school's permission to take the Regents Exam in _____.

S/he has been told to contact the school in advance, present this letter with a copy of a report card or transcript and to bring a photo ID. If the student is entitled to extended time or separate location, s/he should also present an IEP or 504 that documents this.

Note: This is the second of two Regents permission letters issued by our school, so it is possible you will see both versions. Due to construction in our building and lack of access, students had permission to download this letter from our school website.

We appreciate your efforts on behalf of our students. Please feel free to contact us about this student.

Sincerely,
Alyce Barr
