100% of students in the Class of 2016 were admitted to multiple colleges, with 66% of graduates matriculating at 4-year colleges.

The Class of 2016 was awarded a total of \$4.38 million in grant and scholarship funding.

BCS had five Posse Scholars in the Class of 2012, more than any other school in NYC. In the past four years, we have had eleven Posse Scholars.

Over 80% of BCS graduates who enroll in college are persisting.

This rate is higher than at any of the forty other public schools the NYC Department of Education identifies as our "peers" because of the similarity of the student populations we serve.
